

## ROSÉ PORT

Our Porto Rosé is made exclusively from red grapes, fermented at low temperature in order to preserve the most delicate fruit aromas. It's tremendously easy to drink, either by itself or as a cocktail.

### TASTING NOTES

#### COLOUR

Salmon color

#### AROMA

A very inviting nose with aromas of field strawberries and watermelon, fresh and easy.

#### PALATE

Easy and light on the palate, yet having that classic velvety Port texture. This Port is fun to drink and has serious and pure aromas of young red fruits and tropical fruits. Perfect for hot summer days or in cocktails.
