

CAIAROSSA 2020

IGT TOSCANA ROSSO

95 Vinous (Antonio Galloni)

The 2020 Caiarossa is the best wine I have tasted off this property in some time, perhaps ever.

95 James Suckling

It's powerful but not heavy with freshness and crunchiness.

95 Alexandre MA

Its most noteworthy aspect lies in the refinement of the tannins, with a rich yet velvety texture, seemingly draping the entire body with velour blanket.

94 The Drink Business

This is fresh, lively and interesting with copious dark berry fruits and a nice sense of both grip and tension.

94 Jane Anson

The concentration of the vintage is mitigated by plenty of acidity. Excellent structure, and it's a thoroughly enjoyable, precise and well made wine.

94 Decanter

Round, direct, forward, this has energy and sculpting and I love the freshness that really lingers on the tongue. Well executed with lots of fragrance [...]

95 Susan Hulme MW

The texture is beautifully silky and the wine manages to be rich without being heavy. It is a super-stylish wine, beautifully made and supremely drinkable but also with the ability to age.

96 Falstaff

It has a creamy entry and progression, dense and tightly structured, shows juicy tannin. It has a long finish, and comes back again and again juicy and powerful.

18+ Weinwisser

Sweet, intense and spicy, the 2020 Caiarossa smells deep and generous.
