

## CAIAROSSA 2021

### Toscane

96 pts - James Suckling

Purplish tinge in the glass. Aromas of cloves, generous bramble fruit and dried eucalyptus. The attack is firm and dense, with a full body and velvety tannins of great extraction on the mid-palate and refreshing natural acidity. Good integration of oak at the end. Potential for the long haul, but drinkable in one to two years.

95 pts – Wine Spectator

Dense and concentrated, this red is packed with black currant, blackberry and plum fruit, while iron, wild herb and oak spice notes add detail. Assertive tannins and vibrant acidity provide support, bringing a sense of equilibrium overall. There's fine depth to the dark fruit flavors, plus a terrific aftertaste that really persists. Shows power and grace. Cabernet Franc, Syrah, Cabernet Sauvignon, Merlot, Sangiovese, Petit Verdot and Grenache.

96 pts - -Falstaff

Bright, intense red, purple hints. Multi-layered and delicately outlined aromas of violets, marzipan, liquorice, wild berry confit, background hints of iodine and clove. A velvety texture, sweet fruit, integrated tannins, round with gentle drive and a very persistent finish.
