

CORTONESI BRUNELLO DI MONTALCINO POGGIARELLI DOCG 2019

reviews

An extremely fresh, juicy nose has wild strawberries and raspberries, then guava paste and blood orange jam. The palate is equally fruit-forward, but undertones of spices and soil bring welcome balance, before a current of tannins and acid flows into a finish of tart citrus and sweet chocolate.

Captivating and with a rare sensory quality, it shows notes of cherries, red plums, pomegranate, pink grapefruit, lemon peel, bergamot, vetiver and sandalwood. Full body, soft tannins with good fine grain and dense texture and a warm, voluminous finish that shows fullness and complexity in the important layering. 20% whole bunch in vinification. Best from 2026.
