

# SYRAH

## PAYS D'OC – IGP

### MIREPEISSET – FRANCE

Exposed East-West on soils made up of the oldest glacial moraines, these Terroirs "Las Roumpudos" and "Les Drayes" bring an impressive and an essential freshness to this Syrah. The short pruning practiced on this vineyard allows a control of the yields, a quality and a sweet smelling benefit.

Average yield : 70 hl/ha

Grape variety/ Plot name/Year of plantation :

Syrah : Las Roumpudos: 1993

Syrah : Les Drayes : 2004

---

« ... Syrah is one of the richest grape varieties in resveratrol, a miracle compound with cardio-protective, antioxidant, anti-carcinogenic and anti-aging effects! »

« Red fruits, blackcurrant, spicy, black pepper . »

Christelle GREUZARD

“ « Strong purple color, bright reflections. Nose marked by mixing red fruits, fine spicy and black pepper. The mouth shows a moderate extraction, a balanced aromatic score, dense and typical, with ripe tannins. Classic Syrah, perfect for a barbecue. »

86/100 Gilbert & Gaillard 2020 – Millésime 2019

« The IGP Pays d'Oc red Syrah 2019, with a nose dominated by red fruits (blackcurrant, raspberry), rich, is a wine of character, colorful, with a beautiful structure. »

Guide Dussert Gerber 2021 – Millésime 2019
