

Ch LARRIVET HAUT-BRION 2022

Pessac-Léognan

REVIEWS

93-94/100 J Suckling

Broad and structured, but supple and sleek, with fine-grained tannins. Medium- to full-bodied. Hints of coffee beans and cedar. Solid finish. Bright.

92-94/100 – R Parker

The 2022 Larrivet Haut-Brion offers up aromas of blackcurrant, blueberry, raspberry, violet, orange zest, iris and ripe plums, followed by a medium to full-bodied palate that's supple, seamless and elegant, its succulent core of fruit framed by velvety tannins, concluding with a floral finish. A blend of 61% Cabernet Sauvignon, 18% Merlot and 21% Cabernet Franc - the most significant portion of this grape variety ever used at this estate run by Bruno Lemoine - this is one of the most interesting wines that this estate has produced in recent years. It matured in 15% amphorae, 50% new barrels and the balance in tanks. - Yohan Castaing

Recommandé – l'Echo

Jardin millésimé, papilles en folie pour les accords mets-vins, le château ne manque pas d'imagination. Plus de classisme côté vin avec un 2022 à la robe sombre et des arômes de café expresso. Le vin est plein de charme et judicieusement extrait. Il se déguste dès à présent avec sa seyante touche boisée.
